New Members are required to pay the appropriate fees.

- Entrance Fee (a one-off joining fee)
- Annual Subscription
- Club Card Levy

Payments are made in full in January or, if paid quarterly (January, April, July and October) a 7% surcharge will be added.

Shares

Members aged 40 years and over are required to purchase 4 shares in the Company.

Members aged 35 years and over are required to purchase 2 shares in the Company.

Shares are currently priced at £360 each. They may be purchased in full upon joining or phased over a 1 or 2 year period with a 10% surcharge added per annum. Share Certificates are issued upon final payment. Since non-members may not hold shares there is a set procedure for selling them back upon termination of membership.

Annual Club Card Levy

The payment of £100 Club Card Levy, collected with subscriptions, will be credited to the Club Card as £105 (i.e. a 5% uplift). This £105 is to be spent in the Bar and Catering outlets. It is not transferable and must be used within the subscription year.

'Top Up' amounts of £25 or more may be added to the Club Card (5% uplift will be added to each payment) and may be spent at additional outlets in the Club. Any unspent 'Top Up' will be carried forward to the following year.
