An Introduction to Roehampton Golf Club

Roehampton Club offers an attractive 18-hole parkland course and its 68 strategically placed bunkers ensure that there is never room for complacency! The original 9 holes were created in 1904 and this extended to 18 in 1911.

The Club's Golf Professional, Richard Harrison, along with his coaching team, offers both individual and group tuition to members.

THE COURSE

The 18-hole golf course stretches to 6,043 yards from the white tees with a par of 71. From the ladies' tees the course measures 5515 yards with a Par of 72.

MEN'S AND LADIES GOLF

Both are thriving sections, offering the opportunity for Members to play both social and competitive golf.

Monthly competitions and matches against neighbouring clubs make up the full and varied fixture list.

JUNIOR GOLF

The Club has developed a structured programme to introduce juniors to the game and help enhance their skills to progress to their first handicap.

The competitions, matches and clinics provide a great opportunity to meet other juniors and play social golf during holiday periods.

PRO SHOP

The Pro Shop is open to both members and non-members and offers a comprehensive range of quality sports equipment, clothing and accessories. Whether you are a beginner or simply want to improve your game, individual/group lessons and 'on course playing lessons' can be arranged with Richard Harrison, the Club's Head Professional and his team.
