

Junior Membership Application

Junior Members aged 17 years and under must have a parent or guardian who is an adult Member of Roehampton Club. Following approval of their applications by the Board of Directors, their names are added to the Junior Waiting List and membership is offered in chronological order. The number of resignations we receive at the end of each year determines the number of vacancies, which will be available for the following year. Current Members' children or wards have priority on the Waiting List.
