

Croquet Communique – 1st September 2020

Mary Rose Competition

Our 2020 campaign in the National AC Mary Rose Tournament unfortunately ended with a disappointing loss to High Wycombe in the semi-final. Our team of Peter Siddall, John Pearson and David Mooney faced a very determined High Wycombe team. We wish them well in the final.

Charity One Ball Competition

John Pearson, once again, organised a Roehampton Club round of the Charity One Ball competition to raise funds for Macmillan Cancer Support. Eight entrants had an enjoyable afternoon, with Anne Wilkinson winning, and she will compete in the final at Surbiton on the 20th September. £140 was raised for the charity. We wish Anne every success in the final.

Croquet Association GC B Level Tournament Final

This coming weekend, 5th and 6th September, sees Roehampton Club host the above tournament. Participants have won a qualifying round held around the country to reach the final.

Roehampton Club have an interest, as Lynn Percy is competing, having won the Nottingham round. We wish Lynn success in the tournament, where she will face some resolute opposition.

Family Croquet Session

On Monday, 24th August, we welcomed new young players with their mothers to the croquet lawns. After some basic tuition, all were playing enthusiastically and enjoying the game. So much so, that they have been back a number of times to play and are looking forward to learning more.

We are running another Family Croquet Session on Sunday 20th September 15:00 – 17:00, (juniors aged ten upwards, and a Member parent) register with Reception.

Internal Summer Competitions

The good weather and the enthusiasm to play again after lockdown, has resulted in many of the competitions being completed – preliminary results:
