

SWIM ENGLAND ROEHAMPTON CLUB

LEARN TO SWIM PROGRAMME

○ Pre-School Framework

☆ Learn to Swim Framework

☆ Aquatic Skills Framework

Roehampton Club works in partnership with Swim England to deliver our swimming lesson programme. Swim England is the national governing body for swimming in England, its swim programme and criteria for learning the skills to swim is adopted nationally and has helped produce excellent swimmers across the country.

PROGRAMME

The programme enables all people to learn how to swim correctly, enjoy the water safely, and offers opportunities to compete through its higher stages of learning for both children and adults.

OUR LESSONS

To ensure we deliver the highest standard of teaching in our lessons we operate at a lower teacher to child ratio than the Swim England guidelines, this enables us to ensure that all swimmers receive quality tuition throughout each swimming lesson above and beyond national guidance.

OUR VISION

Our vision is to inspire everyone to enjoy the water in a way that suits them. We will work with Swim England to create engaging programmes that enable everyone to be active, have fun, be competitive and stay safe and healthy through swimming.
