

# Art Group and PhotoClub

Roehampton Club Art Group and PhotoClub are thriving sections within the Club and include all our art and photography activities. Members can enjoy **Art Lectures** on the third Tuesday of the month at 7pm via zoom.

We also offer regular classes in **Watercolour**, **Life Drawing** and **Acrylic Painting** for all levels from beginner to experienced artists also currently via zoom but usually in the Art Studio.

Both the Art Group and PhotoClub hold an **annual dinner** with the opportunity to exhibit your work in the **exhibition and sale** that run concurrently. In 2020 the exhibitions will be held online.

## Annual subscription

The annual subscription is payable each January and in 2020 will cost £20.

This provides **free access** to the six lectures by art experts listed on reverse, and the opportunity to join our successful drawing, painting and photography courses.
