

For our final Recorder release of 2020, we would like to take the opportunity to wish all our Members and their families a Merry Christmas and a Happy New Year. Thank you for your support in what has been a challenging year for all, we are excited for 2021 and have great plans in the Sports Shop.

In light of the latest government guidance the Sports Shop is forced to close in line with Tier 4 guidelines though we can run a Select and Collect service. Our team will be on hand for you to collect anything from the shop and you will still be able to purchase your essentials from the shop door. We would ask that Members please wear a face covering, use hand sanitiser and maintain social distancing when you do so.

We can also coach outdoors on a one-to-one basis so you can continue to book and take lessons over the Christmas period. Our PGA professionals will be taking extra precautions to ensure every lesson is Covid-safe.

Our Christmas Draw still has some spaces left – we shall contact those lucky winners on Christmas Eve – should you wish to get a late entry please let us know.
