

We would like to wish all Members a Happy New Year. We hope 2021 is a better year for everyone and we have some exciting plans that we look forward to sharing with you.

In light of the latest Government regulations the Sports Shop will close, and coaching services will be postponed until further notice. Expiry dates on outstanding lessons have been removed for 2021 so these will remain valid for you to use on our return. We shall use the lockdown as an opportunity to develop and come back better trained and with lots of ideas on improving our service.

We are excited to announce that after many hours of hard work, we are launching our online store. The website offers a great variety of stock and allows you to browse and purchase online wherever you are, with click and collect or home delivery available. With our January Sale now on, we hope many of you will be able to grab yourselves a bargain.

Our New Tennis Specialist – Tilly Da Cunha

We are pleased to announce Tilly shall be joining the Sports Shop team as our tennis specialist. Tilly brings an abundance of tennis experience and we are very excited to have her join the team to enhance our tennis services. Tilly came highly recommended by the tennis representatives that call on us and we are delighted to have made this appointment. Tilly caught their eye while working at David Lloyd Raynes Park in tennis retail and stringing.

‘Tennis has been a passion of mine since a young age and having competed nationally as a junior, I attended Sutton Tennis Academy at the age of 16. After gaining my coaching qualifications in tennis, sailing and windsurfing, my coaching expertise took me abroad to work in the South of France and Corsica.

Upon return to the UK, I embarked upon a Sports Management degree at Southampton Solent University, graduating in 2019. I thoroughly enjoy

attending a range of sporting events and will get to Wimbledon, Lords or Old Trafford (Theatre of Dreams) when I can.

I have had the pleasure of working at Queen's Club during the Fever-Tree Championships 2019, and more recently at Salon Privé, a prestigious Concours d'Elegance held at Blenheim Palace.

With a wealth of knowledge working in tennis retail and racket stringing, I am now very happy to be joining the team at Roehampton Club and will be more than happy to advise on equipment, stringing or even just for a natter!
