## TESTIMONIAL

What a magical wedding we had at Roehampton Club! Every small detail of the venue and the attention of the staff made the whole day so grand. The venue's outdoor was a wow factor with guests and suppliers praising the beauty of the gardens! The team has been fabulous and went out of their way to accommodate any request. The food was exceptional and many guests claimed it was the best they'd ever had. We had high expectations on choosing a venue for our wedding, half of the guests being Parisians, but we knew within seconds entering Roehampton Club that it was the most beautiful venue in London - and undeniably everyone commented it was the best wedding they have ever attended.

#### TESTIMONIAL

We had a wonderful wedding at Roehampton Club. The bandstand was the perfect setting for our ceremony and the gardens were a stunning backdrop for our drink's reception. Francesca who oversaw our event was incredibly responsive and on top of everything in the run up as well as on the day itself. The wedding breakfast was delicious! We have had nothing but positive feedback from our guests.
