What a pleasure it has been seeing the huge smiles on Members' faces returning to the Club over the past two weeks. We are delighted to be back coaching, club fitting and helping with all your needs. The Sports Shop is now open for Members to enter with a mask, we are taking all the necessary Covid-19 precautions to keep our Members safe while browsing the shop. We have lots of new products arriving all the time so pop in and have a look!

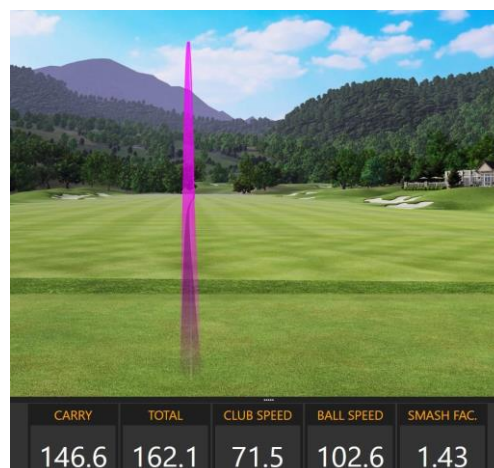

### **New Golf Performance Studio**

It has been great to see Members use the fantastic new golf performance studio for coaching and custom fitting this week. Rob Savage joined me for a custom fitting session on Monday to see if custom fitted clubs and new technology could help improve his game. Below illustrates the improvements we were able to make with a modern head and a shaft that provided more stability and consistency with increased speed. We gained a more consistent ball flight, increased ball speed and 25 yards on average with a 7 iron from the new PING G425 range – it was great to see!

### Price Promise

Checking prices from our competitors is part of our daily routine to make sure that we are offering the fairest price for all of our products. Therefore, you can shop in confidence at Roehampton Club, safe in the knowledge that the prices are correct and current. We are also now able to offer Members with credit on their Sports Shop account the option to use this on our website. This will allow you to access a wider range of products that we don't offer in store.

Our new till system does not allow customers to go into debt which helps prevent us from accumulating bills that are time consuming to recover.

With Apple Pay, we are set up to take fast payments even for the smallest items, so you can just tap and go before you rush off for your tee time.

We accept all major credit card providers including AMEX, so you can accumulate some air miles for a time when we can fly regularly again! This will help you get the most from the big purchases.

### **Mark Heyes Leaving the Professional Team**

Mark has been a member of Professional team for seven years and after being accepted for flight school to become a pilot, he will embark on his new career leaving Roehampton with his final day being Friday 16<sup>th</sup> April. I would like to thank Mark for his service and he has written a note to the Members:

‘Dear Roehampton Club Members,  
After seven years it is hard to find the right words to say, so I will keep it brief. After much deliberation I have decided to pursue a career outside of golf. I would like to take this opportunity to thank everyone who has supported me during my time at the Club. I have genuinely enjoyed helping you enjoy our great game, and hope you continue plugging away in the quest for perfection. Any pre-paid outstanding lessons will be honoured by our very capable PGA team. I am leaving golf to fulfil a boyhood ambition of becoming a pilot and consider myself incredibly fortunate to have the opportunity to do so. I look forward to bumping into you at an airport / golf course / ski resort soon!’

Should you wish to contact Mark to send him well wishes please email [mark.heyas@roehamptonclub.co.uk](mailto:mark.heyas@roehamptonclub.co.uk)
