

SWIMMING LESSONS UPDATE

w/c Monday 19th April 2021

I am a new Member how can my child join the swim programme?

A 15-20-minute Swim Assessment will be available with Ana Leal.

Bookings can only be made once a Swim Assessment has been completed.

To book a Swim Assessment please email ana.leal@roehamptonclub.co.uk

How many children will be in a lesson?

This will vary depending on the stage of each lesson and the pool space available for the lesson.

We have reduced all class sizes to meet the Swim England guidance for swimming lessons.

How do I arrive for swim lessons?

A one-way system will be in operation – detailed as below:

- Check in with Health Club staff at the gate
- Walk round to the Indoor Pool via the Outdoor Pool
- Be 'Swim Ready' and change on Poolside ready for your lesson – please make sure your child has their swim hat and goggles on for the start of the lesson
- Once the lesson has ended you can enter the Changing Rooms to change only
- When changed, leave via the Changing Room entrance and Reception area

Will changing rooms be available?

Yes. Changing rooms will be available after the Swim Lesson as we must allow time for the lesson before to change, vacate and sanitise the changing area before the next lesson can use this area.

Where possible we need all children to arrive swim ready.

Changing Room Capacities

Male: 4 families at any one time (based on a family of 4 persons)

Female: 6 families at any one time (based on a family of 4 persons)

IMPORTANT: If the changing room is at capacity Members will be required to wait on Poolside until space becomes available.

Do I have to use the Changing Room?

No. If you would prefer to continue to dry off on poolside and leave via the Entrance Gate, you can.

Will equipment be cleaned?

All swimming equipment used for teaching will be changed between lessons and sanitised.

Will I be able to use the Changing Room showers?

The showers will be available in the changing rooms following the lesson.

Will I be able to use lockers?

Lockers will not be available for any use. The changing room is for changing only.

How do I know where to change?

Please only use spaces marked in each Changing Room. These spaces have been set out to ensure social distancing is maintained.

Will towels be available?

Members will need to continue to bring their own towel for the time being.

Will I be able to use vanity areas, hairdryers, costumer bags and the costume dryer?

Yes. But for the safety of both Staff and Members this is on the understanding and agreement that Members and Staff take responsibility of sanitising these facilities and equipment before and after use. If this does not happen then these facilities will be made unavailable permanently.

Will the toilets be available?

Yes. Toilets will be available for everyone. Only 2 Members at any one time.

Will crash courses still be available in the holidays?

Yes. We will continue to offer crash courses which will be on a 1:1 basis. Please contact Ana for more information.

Will the Juice Bar be open?

The Juice Bar will remain closed to begin with. The Piazza Coffee Shop will be available to purchase hot and cold food and drinks after your lesson.

Can my child have more than one swimming lesson per week?

No. Due to Swim Lesson availability under the new programme, children can only have one lesson per week. We will keep this under review.

What happens to the missed lessons from last term?

The lessons missed will be credited at the time of payment for the summer term.

If you have any questions, please speak to a Member of the Health Club Team or contact
