

## **ALBERT ISALAN**

**Roehampton Club Member  
from 2002 to 2021**

It is with immense sadness that we announce the death of a long-standing Member, Albert Isalan, who passed away peacefully at home on Friday 17<sup>th</sup> September 2021 at the age of 95, surrounded by his family.

Albert, a Member of the Club for 19 years, was a passionate bridge player who spent many happy hours at the Club. His son Mark has kindly written the following:

‘Albert was a Member of the Club for many years and loved playing bridge there. Bridge was his passion since his university days in Istanbul, and he won too many trophies to count, both in Turkey and in the UK, over a playing career that lasted more than 70 years. His last triumph was winning the Roehampton Club Miller Cup in January 2020 - the oldest person ever to do so. He is survived by his wife Monica, son Mark and two grandchildren’.

Our sincere condolences go to the Isalan family at this sad time.
