Solheim Cup

A phenomenal win for Team Europe! I hope you all thoroughly enjoyed watching such high-quality golf! It reminds us all that we need to keep improving our game!

Captain and Pro

Nicole and I took on the dream team of Judy Gowing and Claire Martin. Claire had a steady front 9 but Nicole and I were pretty confident we could hold out and it was nip and tuck all the way to the back 9 when Judy suddenly woke up and played some amazing shots. The result, despite Nicole being 2 under was that we lost on the 16th as Judy yet again put her chip shot to within three feet and sunk the put having parred 15 to win the hole.

Ricky and I then played the Vice and Vice Vice. Ricky played a wonderful steady game to be four under after 18 and we still lost! Perhaps the problem was there were too many vices! Three up after three holes, we were not complacent. Charlotta put her second to three feet at the fifth and Ricky had two putts for a half having driven the green. Tricia sunk an amazing downhill put on six for a win. My main contribution was a 60ft (by Ricky's calculation) for par on the 8th! Two up at the turn. Then they put the burners on, Tricia had a Solheim moment on 15 but we had learnt our lesson and waited 10 seconds before giving it in case it fell in the hole for a birdie. Tricia parred 13 and 14 for net birdies and Charlotta was the only drive on the green at 17. One down and we halved 18! The sun was out for our drink on the terrace so all was not lost.

Up again the very next day with Wes this time. What do we have to do to win! This time Liz and Buz were the challengers playing the back 9 twice. They went two up early on with Buz sinking some unbelievable putts. Wes and I managed to get one ahead by the turn and they literally put the burners on either holing putts, chipping in from off the green or putting a

ball to within three feet of the pin. Wes was 3 under par for the round and Buz and Liz were 5 over gross. Well done ladies you dove tailed beautifully.

Thank you to all those who have taken part for their generosity to my charity.
