Autumn Meeting Foursomes

Won by Heather Webber and Tricia Culliford with 34 points

Kingswood Salver - Team

Foursomes match play over two days at Kingswood Golf and Country Club. Clubs are invited on a five-year rotational basis. The first day Gill Griffiths and Debs Good, Sandra Drum and Lou Tierney and Therese Swanson and Inga Kempton had an excellent match against Woodcote Park. One match was lost and two went down the 19th before triumphing. With a 2-1 match win we qualified for the Salver semi-final the next day rather than the Plate competition.

Back to Kingswood Golf and Country Club at 8.30am this time myself and Therese (Inga sadly could not get out of a prior engagement) Debs and Caroline Stokes (playing instead of Gill), Sandra and Lou took on Betchworth Park. One match finished on 16th, one on the 18th and one all square on 20th called in. We had come very close but didn't bring home the prize. A long day but good fun with some team bonding over a few drinks on the terrace.

See many of you at the AGM 14:30 Tuesday 12th October 2021

Sayonara,
