4. Mizuno Custom Fitting Event – Thursday 16th September, 2-6pm
5. NEW IN – Lacoste tennis clothing now in stock

New Lady Golfer Clinics – September Term

In June and July Head Pro Ricky Pharo had 24 lady golfers join me for the six-week coaching programme and it has been fantastic to see so many ladies improve while getting more enjoyment out of the game.

We recognise that the golf course can be a very intimidating prospect if you are reasonably new to the game. We want to take the intimidation away by improving your golf and confidence and introducing you to all aspects of the game.

Who are these for?

- Those who are completely new to golf and want to learn in a more cost-effective way.
- Those that may have played on and off for years or an occasional golfer and want to play more regularly to work towards a handicap.
- Those that want to get more confidence to enjoy their golf and meet likeminded ladies.

Join us each week for one hour with our professionals as we cover all aspects of the game to improve your technique along with relevant rules and etiquette. You will receive an email summary after each session to cover all points to keep as a reference to help your learning.

We shall also provide access to the golf course as we schedule roll ups for you to experience the golf course at quieter times when ready to do so. We will integrate you with the Members to provide you an easier pathway to enjoying your golf at Roehampton Club.

Please find below the dates and times for the clinics which run for six consecutive weeks and the schedule of topics for the six weeks.

Monday 13th September – 1-2pm and 2-3pm

Wednesday 15th September – 1-2pm and 2-3pm

Friday 17th September – 1-2pm and 2-3pm

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Putting	Chipping	Bunkers	Irons	Driving	On the Course

The cost is £120 for 6 sessions and groups are limited to six people to ensure quality of learning with places offered on a first come first served basis. For further details or to book your place please contact Ricky – ricky.pharo@roehamptonclub.co.uk

Trade in your old golf equipment – a brand-new event

Monday 13th September – 12-4pm

Forget about the hassle of selling your old golf equipment on auction sites and marketplaces. On Monday 13th September we will give you a convenient opportunity to empty your locker, your garage, or the cupboards that you store your old golf equipment in and convert them into cash.

How it works ...

- Bring your preowned golf equipment for instant valuation from the guys at Golf Clubs 4 Cash.
- Once accepted receive the credit in your Sports Shop account immediately.
- You can use your credit against anything in our store on the day or in future.

What we accept ...

- Used Golf Clubs
- Used Golf Bags
- Used Golf Trolleys (subject to working properly)

As many makes or models as possible will be accepted, however there are some items that we cannot make offers on due to the brand, age, or condition. Drop in on the day and make sure and take advantage of this excellent one-off opportunity.

Don't worry if you cannot attend on Monday 13th September, you are welcome to drop your old clubs in a few days before and we will look after the rest for you. Please contact the Sports Shop in advance if you have any questions about this event and we would be happy to assist.

Titleist Ball Fitting Event – Saturday 18th September, 9am-2pm

The golf ball is the ONLY PIECE of equipment used on every shot. Yet, many players are unaware of the importance of playing a golf ball that is fit for their game. Join a golf ball expert from Titleist who will be on hand to give you *free* golf balls most suited for your game!

At Titleist, the goal is to help all golfers play better and shoot lower scores and being fit for the right golf ball is an important part of that. The golf ball is only piece of equipment you use on every shot and there are many game-changing performance and quality differences between

various brands and models. Titleist believe that a proper golf ball fitting takes place on the golf course, and the Titleist Tour-validated 'Green-to-Tee' approach successfully fits players of all abilities, from the world's best to high-handicap amateurs.

The Golf Ball Fitting Process

Step 1: Assessment and selection

Titleist golf ball fitting begins with an assessment of your game, your performance objectives, and your personal preferences.

Step 2: Green-to-Tee on-course evaluation

The Titleist Green-to-Tee fitting process involves an evaluation of all shots on the golf course, with the greatest emphasis placed on shots around and into the green.

Step 3: Putting the new ball in play

Commit to playing the golf ball you've been fitted for exclusively. Using the same model golf ball on every shot of every round eliminates performance variation, builds confidence and consistency, and will ultimately lead to you shooting lower scores.

Mizuno Custom Fitting Event

Thursday 16th September – 2-6pm

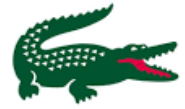

We are delighted to welcome Mizuno to join us for a FREE Custom Fitting Event in the Performance Studio. A Custom Fitting expert from Mizuno will be on hand with a wide selection of their latest products to offer free custom fitting to our members.

To book your appointment please contact the Sports Shop at sportshop@roehamptonclub.co.uk
