Colour Coding

For a breakdown of colour codes, please see description on the Tennis noticeboard for a 'self-assessment'. This provides the basis to determine which sessions are suitable.

Inclement Weather

There will at times be an issue with weather. If in doubt, please contact the coach directly or a member of the Tennis Team. We will always attempt to run the session and only cancel in heavy rain and/or where the weather forecast is very bad. This means a decision cannot usually be made until close to the start of the session.

Seasonal Variation

There will be variation to this programme throughout the year due to school holidays and demand. Please refer to the *Racquets Round-Up* or Dan Lott's *Tennis Director's Diary* in the *Roehampton Recorder* for the latest information. If unsure, please ask at Reception or a member of the Tennis Team. If it has not been possible to provide coach cover, the courts will be still available for use as part of the session in the coach's absence.

Competitive Tennis

We now have a two Singles leagues, Men's Doubles, Ladies Doubles and a Mixed Doubles league in operation. Please sign up on the noticeboard to join in!

Private/Group Lessons

We have an excellent team of tennis coaches who can provide private tennis tuition. Contact details can be found on the noticeboard.

PAY AND PLAY SESSIONS

These coaching sessions are flexible for Members as there is no need to book a place – you are welcome to simply turn up if they wish. The maximum number of places will be capped depending on court space available and places are secured on a *first come, first served* basis on the day. The sessions comprise of a warm-up, drills and coaching followed by tactical point playing and normal match-play.
