***Please note, the old Sports Shop phone number (020 8876 3858) no longer works.***

***Please call the Sports Shop Team on 020 8480 4257.***

## Golf Shoes – We now have a wide range available in stock

Investing in the best golf shoes you can find is a wise move for golfers of all abilities. The way your shoes grip the turf when you're swinging is of high importance as if your feet slip even just an inch, it will really affect the result of your shot. It could mean the difference between hitting your ball onto the green or that dreaded greenside bunker!

## Spiked versus Spike less?

Even the best spike-less golf shoes are sometimes viewed as a compromise in performance, but that is far from being the truth. Instead of groups of cleats, spike-less shoes have far larger areas covering the entire base of the shoe for greater traction. Of course, there is one clear downside – spike-less shoes suffer in wetter conditions as their tread isn't as deep as spiked shoes but on the whole spike-less shoes are now designed for all year-round use.

We now have a fantastic range of shoes for men, women and Juniors in the Sports Shop available to try. Prices start from just £49.99 for Juniors and £79.99 for adults and we have highlighted some of our favourites below:

Adidas Adicross Retro Shoes - £79.99

Footjoy Flex - £84.99

Footjoy Traditions - £119.99

Footjoy ProSL - £149.99

Ecco S-Three - £170.00

Ecco Biom H4 - £170.00

### **Tennis Shoes – Shipment Incoming!**

We are awaiting a large shipment of Tennis/Racquet Shoes from Adidas and K-Swiss, unfortunately supply has been hugely hit by Covid but we hope to have these in store in the coming weeks. We shall have a wide selection from men, women and Juniors, while we shall certainly be offering Members these at the most competitive prices.

**Join our Sports Shop Loyalty Programme and receive discount on our new summer clothing ranges**
