## **ART GROUP LECTURE**

The next lecture will be in the Club at 8pm on Tuesday 17<sup>TH</sup> May and is the last lecture before the summer break so make sure not to miss:

### *Paintbrushes at Dawn: the World's Greatest Artistic Feuds, Rows and Quarrels*

The late Christopher Hitchens, who knew a thing or two about feuds, once wrote that a really first rate bust up requires one of at least two things: a clash of strong personalities and a conflict of principles.

The history of art is peppered with first rate bust-ups. Between the great early Renaissance artists, Brunelleschi and Ghiberti, between Constable and Turner in the early 1830s and between Salvador Dali and the Surrealist leader, Andre Breton in the 1930s. They tell us a great deal about key issues in art history

The lecture is free for art group members and £10 for guests There is no need to book; just come on the night but if you would like to book in for the pre-lecture supper, please sign up on the Art Group Noticeboard in Reception.

## **New Three-Day Masterclasses**

Soft Pastel Masterclass with Kathy Barker for Beginners and Refreshers from Thursday 16th June to Saturday 18th June

Exploring Watercolour, Brush, Pen and Ink with Shaun Carey for all levels from Thursday 23rd to Saturday, 25th June

The new Masterclasses are proving remarkably popular; students are finding that by spending three consecutive days in a class of up to eight people focussing on one medium, they are improving their technique significantly.
