The National Murphy Shield Golf Croquet Match

Our first outing in this year's Murphy Cup competition was a home tie against Ealing on Wednesday, 18th May.

John Pearson led the Roehampton Club team with Nicholas Halton, Diana Wilson, and Andrew Wilson. A victory by five matches to two hardly reflected what a competitive fixture it was, with three games going to 'Golden Hoop' and six at 7-5

Well done to the Roehampton Club team, who will face either Hurlingham or Ryde in the next round.

East Dorset Golf Croquet B Level competition

On 22nd and 23rd May, two Roehampton Members, Mark Green and Robert Scallon entered this event, (part of the National B series). They missed out on the final round, but qualified for the Shield event, where they progressed to meet in the final. Robert won on a 'Golden Hoop'. Well done to both players!
