

## Summer 2024 Watercolour, Pen, Ink and Mixed Media

with Shaun Carey: Mondays 2 pm – 5 pm

Welcome to the Summer Term 2024

This class bridges drawing and painting; exploring line, tonal painting, wash studies, dip pen and brush techniques. You'll learn about a mix of media techniques combining ink with watercolour, gouache, watercolour pencils and pastels; and work from a variety of subjects, including still life, landscape (from images/photos) as well some figure and portrait.

You need to bring your own art materials (see separate sheet).

I will supply photos and reference for you but if you would prefer to tackle something more personal to you, please bring your own photo.

**Please remember to clean any spills or marks on your table and side table at the end of each class. Thank you.**
