

Summer Term 2024 Beginners and Improvers Drawing and Painting

with Kathy Barker Wednesdays 2pm - 5 pm.

Welcome to the Summer Term 2024.

This class is designed for beginners or to encourage you back into art. You'll start with drawing and, as term progresses, you will move on to using colour with pastels and then paints. You can then decide if you'd like to move onto a more specialised class.

Materials for students in their first year are provided. It is expected that during this year students will gradually acquire their own materials to use.

Housekeeping

As a courtesy to other artists, please make sure to brush away all charcoal and pastel dust off the easels and boards so that it doesn't dirty their boards and paper. (There is a dustpan and brush in the Store Room). Thank you.

Date	Subject matter
17 th April	Landscape mark making IN PASTEL image by Bethany Fields
24 th April	Acrylic painting, Sunset gradated sky, Sunset
1 st May	Watercolour - landscape.
8 th May	Pastel from still life -from life PLEASE BRING SOMETHING, an orange, lemon, vase. More interesting than cupboard stuff! Thinking composition.
