

Summer Term 2024 Discovering Watercolour

with Shaun Carey: Tuesdays 2pm-5pm

Welcome to the Summer Term 2024

This class is suitable for anyone who would like to paint in watercolour, from complete beginners onwards.

During this 5-week course we will cover a wide range of watercolour techniques designed to help you express yourself whatever your experience and to gradually develop your own style.

You need to bring your own art materials (see separate sheet.)

I will supply photos and references for you but, if you would prefer to tackle something more personal to you, please bring your own photo/subject.

Please remember to clean any spills or marks on your table and side table at the end of each class. Thank you.
