

Gwendoline (Gwen) Spear

1936 – 2024

Member 1966 – 2024

Gwen Spear died peacefully on March 10th aged 87. She was active, happy and independent, enjoying an active social life until the week she died. She leaves behind her daughters, Sarah and Fiona, sons-in-law Andrew and Mark and grandchildren Tom, Ella, Luke, Barney and Rufus.

Gwen was a member of Roehampton since 1966 following her marriage to the late Geoff Spear (himself a dedicated golf member since 1958). Living in Barnes, much of their family life was spent at Roehampton – particularly on the tennis courts and at the swimming pool. Gwen always remembered the ‘no babes in arms’ policy around the pool from the late 1960s and joked this was the incentive needed to ensure both Sarah and Fiona walked as early as possible!

Gwen always loved Roehampton Club and most recently in her later years enjoyed being a member of the Roehampton Club Choir. Her daughter Fiona (Horncastle) and family are still active members of Roehampton.

Gwen’s Celebration of Life Service will be held at St Mary’s Barnes on Monday 15th April at 12.30. All very welcome.
