Rules of use

- A nanny may only use the pass for the purpose of being a supervising adult for a Junior Member, who must be with them at all times.
- A nanny is not permitted to use any of the facilities independently. The relevant Guest Pass should be purchased if the facilities are to be used.
- 'Nanny' refers to an employee working in the traditional role of a nanny caring for a (Junior) Member.
- Nanny Pass holders may attend the Club with the Member family to assist with Junior Members. They may not however use the facilities as a Member i.e. relax around the Outdoor Pool with the family.
- A nanny may not use the gym and studios unless attending as the Guest of a Member and the appropriate Guest Fee is paid.
- A nanny may supervise the Junior Member whilst they use the Gym, providing that Junior Member has completed any relevant induction process.
- Children under the age of 16 are not permitted to use the sauna or steam room and therefore the supervising nanny may not use those facilities either. Children under the age of 12 may not use the spa and it is the nanny's responsibility to ensure that this rule is adhered to.
- A Nanny Pass holder **may not** sign in Guests.

I confirm that the holder of this pass is a paid employee of our family and is not related to the child(ren) being supervised.
