## **Class Descriptions**

**Aerotone** - Combination of aerobic and conditioning exercises to provide an all-over-body workout.

**Aqua** - Using water as a resistance, this pool-based workout is great for cardio and conditioning while being gentle on joints.

**Back to Basics Pilates** - An ideal class to follow the Complete Beginners course or to remind you of the basics. Focusing on technique, you will gently strengthen the core, pelvic alignment and postural muscles and increase body awareness and joint mobility.

**Body Blast** - Head to toe strengthening using your own body weight, hand weights and resistance bands. In this class you will combine cardiovascular fitness, core strength and balance to achieve your fitness goals.

**Box Fit** - High intensity cardio workout that uses boxing techniques to improve strength, core and agility.

**Circuits** - Body weight, weighted and cardio exercises all mixed together for a 45 minute class. Beginner friendly.

**Fit Ball** - Total body conditioning using the swiss ball to sculpt and shape.

**Forever Fit** - A low-impact dance class, combining traditional, fun moves to improve strength, balance and endurance.

**HIIT** - Short bursts of interval training using intense anaerobic exercises to burn a large amount of calories in a limited time.

**HIIT and Core** - High Intensity Interval Training and core work to burn a large amount of calories in a short space of time.

#### **Hydro Circuit**

Similar to Hydro Spin but this class uses both water based bikes and treadmills. Great for conditioning while being gentle on joints. Open to all fitness levels. Please arrive early to set up.

**Hydro Spin** - A full body workout using underwater bikes. Great for conditioning while being gentle on joints. Open to all fitness levels. Please arrive early to set up.

**LBT** - An easy-to-follow, high-impact class which combines aerobics with conditioning exercises to focus on legs, bums and tums.

LES MILLS BODYATTACK<sup>™</sup> - This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. Dynamic instructors and music motivate you towards your fitness goals.

LES MILLS BODYBALANCE<sup>™</sup> - A mixture of Yoga, Tai Chi and Pilates to build flexibility and strength. The series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

LES MILLS BODYPUMP<sup>™</sup> - Sculpt, tone and strengthen your entire body with low weights and high reps. You will burn fat, gain strength and produce lean body muscle while you squat, press, lift and curl.

LES MILLS GRIT<sup>™</sup> - Classes consist of high-intensity, 30-minute workouts in one of three styles: Strength, Cardio and Plyo. From

barbell, plate and body weight exercises (Strength) to challenging cardiovascular fitness (Cardio) to explosive athletic training (Plyo), you will work harder to get fitter, faster.

**Pilates** - Mat-based exercises to improve muscle control, flexibility, coordination, strength and tone. Suitable for all.

**Power Yoga** - A fast-paced cardiovascular workout focused on building strength and flexibility in the body through high impact yoga poses.

**Reformer Pilates** - A full body workout combining traditional movements and techniques from mat Pilates with a reformer machine.

**Sculpt** - Sculpt is a strength based stationary circuit class that works through all the main muscle groups for an all over body workout. The freestyle weights session uses mainly dumbbells and the focus is on becoming stronger as well as toning, sculpting and defining.

**Stretch Pilates** - Slow-paced mat based exercises to improve muscle control, coordination, tone and strength. With focus on mobility and stretching to work on flexibility.

**Sivananda Yoga** - A classical form of yoga practising pranayama (yogic breathing) and asanas (yoga poses) to increase strength and flexibility and relaxation to calm the body and the mind.

#### Spin

A challenging and fun cycling workout to improve cardiovascular fitness while burning calories.

**Step** - A choreographed workout with music to help set the tone and pace as you work out.

**Stretch** - A non-impact class with a focus on stretching, mobility and developing flexibility, which can help to reduce the risk of injury. Please warm up before the class.

**Tai Chi TCA Beginner Class** - Please attend this class first then you will progress to either the 24 Form or Sun 73 as per Graham's expertise. This programme uses slow movements to improve balance, reduce pain and increase muscle strength. Suitable for beginners.

**Tai Chi 24 Form** - A level up from Tai Chi TCA. It combines 24 postures from traditional Yang Style Tai Chi. Requires the calming of the mind and relaxing of the body as well as the combining of movement and stillness.

**Tai Chi Sun 73** - A specific form of Tai Chi, within the Sun style, consisting of 73 distinct movements, known for its smooth, flowing motions, agile footwork, and emphasis on cultivating internal energy (Qi) through practice.

**TBW** - An easy-to-follow, high-impact class which combines aerobics with conditioning exercises to tone the whole body.

**TRX** - Suspension Training bodyweight exercises to develop strength, balance, flexibility and core stability simultaneously.

Vinyasa Flow Yoga - Yoga stringing postures together so that you move from one to another seamlessly using breath.

**Yin Yang Yoga** - A practice that combines the passive meditative elements of Yin yoga with dynamic energizing aspects of Yang yoga. Good for beginners

Zumba - Latin-inspired, easy-to-follow, calorie burning dance.
