## Art Group Exhibition Opening and Dinner

The annual art group exhibition was opened on Tuesday by Lucrezia Walker – one of our favourite art lecturers and doyen of Studio 54 – with a private preview and drinks on the bar terrace. This was followed by dinner in the new entertaining rooms for 120 people; the Chef and Events Teams cooked and served a fabulous meal.

I normally wrap the quiz and the evening up by 10pm; but we continued well past 11pm. Thanks for all the great feedback! Thanks to Wynona and Peter for organising the event and the quiz.

We now have 184 wonderful artworks by 64 brave artists on display until Sunday 23rd November. Congratulations to everyone who entered. Thanks to Claire, Nina and Sally for curating and to Felicity and the 24 volunteers who hung the exhibition.

Make sure to visit the exhibition and vote for your three favourite paintings!
