

Combined painting and photography exhibition to celebrate Roehampton Club's 125th anniversary

Instructions (updated 13th January)

Art Group members are invited to create paintings and photographs (artworks) for an exhibition to celebrate the Club's 125th anniversary in 2026.

The artwork should feature any aspect of the Club. Classic views and activities such as sports, social events, grounds and people. Also think laterally. Be creative. We are looking for a broad spread of subjects and compositions.

Paintings can cover the Club's entire 125-year history.

Photographs should have been taken during 2025 and up until the submission date for entries of 27th March 2026.

There will be up to 125 artworks displayed on panels throughout the Club and there may also be a rolling display of images on the TV screens.

Due to the limited space, we will have to have a selection process to achieve the best overall exhibition with a combination of paintings and photographs.

This exhibition is in addition to the normal annual and class exhibitions.

Key dates

- By 27th March 2026 - Submission of jpg images of artwork and photographs for the selection process
- 7th April 2026 - Confirmation of selection to the artists and photographers
- 30th April 2026 - take in of framed paintings; photographs will be printed and framed by PhotoClub
- May / June 2026 - exhibition on display
- 1st July 2026 – Take down and collection of artworks

Size and framing

Paintings

Paintings should be framed after selection with a maximum framed size of 60 x 60cm.

All frames need to be robust and clean, enhancing the artwork, with a wire attached firmly a third of the way down the back which we consider will ensure the painting can be hung safely for two months.

The only exception to framing is large, boxed canvases which must be painted neatly down the sides with the same wiring requirement.

A label should be attached to the back of the painting with the artists name, contact telephone number, the medium and title.

We would like to thank the artists who submit the paintings which are selected and encourage them to choose good quality frames which enhance their paintings and also the exhibition.

The selected artists may like to bear in mind that paintings will be hung on panels standing alongside photographs; the photographs will be in one simple type of black frame.

We will offer £25 to the artist for each selected painting following framing and drop off in accordance with these instructions; this may be as a top up to their club cards.

Photographs

Photographs will be a maximum size A4 or square crop and will be printed, mounted and framed by PhotoClub.

Entry and selection process

Members of the Art Group / Photo Club may each submit between one and three artworks for consideration for the exhibition.

This is done by sending separate emails to arrive by 27th March 2026 with a photograph of each artwork attached to: 125artwork@roehamptonclub.co.uk

Photographers should send JPEG minimum 4mb at resolution of 300dpi and include in the email their name and contact details.

Painters can send a photograph taken with a normal camera phone, saved with their name and include in the email their name, contact details, dimensions of the painting, its title and medium.

A small group of curators, artists and photographers will meet to make the selection and advise the chosen artists and photographers by 7th April; this will give time for painters and PhotoClub to arrange framing.

Their decision will be final.

Where a selected artwork contains a recognisable person, their written consent should be obtained in the [standard model release form](#) and sent to the email address with identification prior to the hanging day.

Neither the Club nor the Art Group are responsible for any loss or damage to artworks, or for the storage of any item before or after the exhibition.

Favourite artwork competition

There will be awards for both the favourite painting and the favourite photograph. These will be decided by a small group of people, whose decision will be final ...

... and awarded at an Art Group Summer Garden Party on 18th June 2026.

The Club may also consider offering to acquire their favourite paintings and photographs for permanent display. Artists can decide if their artwork is for sale at the time if they are approached by the Club.

Take down

You should collect your artwork on 1st July 2026; the Club will not be able to store artwork for you.

This will be the first combined exhibition of paintings and photographs by the Art Group. The objective is to curate a great looking exhibition which shows the Art Group and the Club at their best!

We are looking forward to seeing all of your artwork.

Time flies so start your creative process now!
