courses

Caroline is an experienced Mah Jong teacher who teaches at private clubs and City Lit Adult Education College in Covent Garden. She teaches British Association Rules with clean hands, creating a more strategic and enjoyable game.

The Roehampton Club Mah Jong Association is now a thriving part of the Club, with over 30 members. We hold weekly playing sessions and all members who complete the Beginners' Course are warmly invited to join us. Friendly support is always available to help new players build their confidence, improve their game and enjoy playing Mah Jong.
